SnowStar Conference

New This Year

This year SnowStar has stepped up its efforts to make registration for our Annual Conference more attractive to more people. We are pleased to offer some new options with the hope that many will take advantage of one or more of them.

Please consider the Early Early Registration; it's a saving of \$50 per person/per member & other over the Early Registration. This special will end on November 15, 2009.

Early Registration will end on February 28, 2009. In past years, we have sometimes extended this deadline. This year it is absolutely firm!

We are continuing the "member & other" options whereby anyone who registers with a spouse/partner/friend (only one, please) will receive a generous discount. This is a great opportunity to introduce someone new to SnowStar.

Date Rates are available only for Friday and Saturday. Non-full registrants can also attend the Thursday Evening session for \$20. This session will be held at the Arden Park Hotel and is open to the public. Thursday day events are for full registrants only.

Other Notes of Interest

For those taking advantage of the spouse/partner/friend option, please be sure to put both names on the registration form and also please indicate two (2) banquet entrée choices.

The SnowStar Banquet and Bacchanalia will be held on Friday evening of conference. This year we'll celebrate SnowStar's 10th Anniversary following the meal. The cost of the banquet is included in the price of your full registration, whether Early Early, Early or Regular. For those who choose not to register for the full conference but would like to attend the banquet, the cost is \$50 per person.
